REHABILITATION MANAGER (GMG/SEG 2)

Description

The Rehabilitation Manager is responsible for coordinating, monitoring, assessing, and providing oversight to the rehabilitation process for inmates/wards in the adult and juvenile Correctional Centres. The incumbent will ensure that risk assessments are conducted, and rehabilitation plans are implemented effectively. The incumbent will work closely with key stakeholders and professionals ensuring that wards/inmates are provided with adequate professional help to foster behavior change and smooth re-integration into the community.
